

# AUTOMATED CALLS!!!

## Notification Service

Dear Parents/Guardians:

Please note that our automated call system is our most effective method of notifying everyone at once regarding school activity delays, cancellations, and various events including progress and report card distribution, open house, field trips, emergencies and more. In order to be efficient, please be aware of this system and **do listen to the entire message first before calling the school.** This is greatly appreciated!

### What do you need to know about receiving calls sent through our automated call system?

- ⦿ Caller ID will display the school's main number when an announcement is delivered.
- ⦿ Our system can call and/or text TWO primary numbers when **not** an emergency.
- ⦿ Our system will leave a message on any answering machine or voicemail.
- ⦿ You must say "Hello" for the message to start.

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that we have your most current phone numbers and e-mail! If this information changes during the year, please let us know immediately!

Thank you!

Rankin School District #98
