PARENT/GUARDIAN AUTHORIZATION

I hereby request that the above ordered medication be administered by school personnel. I understand that I must provide all medication in the original bottle with the student's first and last name written on the bottle. I understand that medication will be destroyed if not picked up within one week following termination of the order or the last day of school, whichever comes first. I also understand that my signature allows for verbal communication as necessary between the school nurse and the above prescriber to ensure safe administration of all medication marked above.
